

BROOKHAVEN BULLETIN

Published by the Brookhaven National Laboratory Public Relations Office

Volume 27 - Number 3

January 18, 1973

Professor Marvin Goldberger, Princeton physicist and President of the Federation of American Scientists, presented a recent view of the People's Republic of China illustrated by over two hundred color slides. Goldberger headed a delegation from the FAS which included Jeremy Stone

and Jerome A. Cohen, which toured China as guests of the Scientific and Technical Association of China. The lecture was presented in Berkner Hall and sponsored by the Physics Department.

Randy Weston in Concert At Stony Brook University

The International Art of Jazz winter concert series continues with the program of the season from 4 to 7 p.m. on Sunday, January 21, and will feature Randy Weston's African Rhythms. The series is being presented in the ballroom of the Stony Brook Union at the State University of New York at Stony Brook.

In 1967, following a phenomenally successful tour of the Middle East and Africa, the Moroccan Government invited Randy Weston to return. Since that time, the Brooklyn born pianist has been a resident of Tangier where he owns and performs in the African Rhythms Club. Mr. Weston's decision to leave America was the realization of a lifelong ambition and it was also a welcome escape from the direction of the avant-garde jazz.

Randy Weston is well known to jazz lovers, especially for his work with the giants of the "Bop" era - Miles Davis and Charles Parker. He has two very successful albums which feature some of his most popular compositions - "African Cookbook" and "Berkshire Blues." Last summer, drummer Max Roach and Randy Weston instituted an African jazz festival, "Tangier '72," which is slated to become a must for the traveling jazz fan.

The public is cordially invited to attend the Randy Weston concert on January 21. Refreshments are available. For ticket information, call IAJ at 516-261-5582 or the Stony Brook Union at 516-246-3636.

BERA Participation Awards (Jackets - Sweaters)

These awards are issued upon presentation of three Participation Cards at the Gymnasium on the third Thursday of each month between 12 noon and 12:30 p.m.

The next upcoming date will be Thursday, February 15th.

In Memoriam

Salvatore L. Giannino who had been employed at the Laboratory as a Patrolman since May 9, 1951, died on January 11, 1973. Since July Fourth, 1971, until his death, he had been hospitalized as the result of a tragic automobile accident that claimed the life of his daughter and injured the other members of his family.

World of BNL

The radio program, World of BNL, is broadcast every Sunday over two AM and two FM stations. This Sunday's program, featuring Dr. Harold Atkins and Herbert Susskind discussing Early Detection of Lung Disease, will be broadcast at 8:00 a.m. over WBLI-FM (106.1), Patchogue; WRCM-FM (103.9), Riverhead; WHRF-AM (1570), Riverhead; and at 11:00 p.m. over WGLI-AM (1290), Babylon.

The World of BNL is also broadcast every Tuesday at 10:00 a.m. over WSHR-FM (91.9), Lake Ronkonkoma; the topic for January 23 will be the Whole Body Counter.

CREF Unit Values

1972			
January	\$48.27	February	\$50.49
March	51.36	April	51.80
May	53.74	June	51.80
July	51.15	August	51.95

November	52.53		
December	\$53.25		

Bookmobile Schedule

January - June 1973

The Bookmobile, a service of The Suffolk Cooperative Library System, visits the Laboratory every two weeks. Starting with the New Year, the visits to the Laboratory will be on Friday afternoons from 1:15 to 2:15. Employees and on-site residents may borrow books, except those on reserve, for a four-week period.

The Bookmobile will stop at the corner of Technology and Brookhaven in the Applied Math parking lot on the following days:

January 12, 26	April 6, 20
February 9, 23	May 4, 18
March 9, 23	June 1, 15, 29

Veal Parmigiana & 1 Veg.	.95
Braised Chicken Leg & 1 Veg.	.90
Baked Stuffed Green Pepper & 1 Veg.	.90

Meinhold to Head Security Division

Charles Meinhold, Head, Health Physics and Safety Division, will assume responsibility for Plant Protection and Security effective March 1, 1973. The combining of these two divisions recognizes the increased role of safety in the planning and functioning of the emergency forces on site.

Effective June 30, 1973, Edward J. Burke will retire from the Laboratory. Burke joined the Laboratory in July 1958, and has served at the Head of the Plant Protection and Security Division since July 1, 1961. His fifteen years of dedicated service to the Laboratory cap a professional career of high achievement.

From March 1 through June 30, Mr. Burke will be on a special assignment to assist the AUI Legal Counsel in a study of state and local regulations that may affect the Laboratory. His legal training and his thorough knowledge of the Laboratory site and facilities will be of great assistance in the completion of this study.

IRS Tax Booklet Available Now At Lab Post Office

A booklet that gives information on how to fill out federal tax returns is being sold at the Upton Post Office, Postmaster Steve Garrett announced on Tuesday.

"Your Federal Income Tax 1973 Edition" was written by the Internal Revenue Service and contains many examples to illustrate how the tax law applies in many situations. A special feature included is a sample, filled-in copy of Form 1040, keyed to pages where detailed explanations can be found for each entry on the return.

The 194-page booklet is now on sale at 75 cents a copy.

"By selling this booklet at the Upton Post Office, we are saving taxpayers the expense and inconvenience of ordering it by mail," said Garrett.

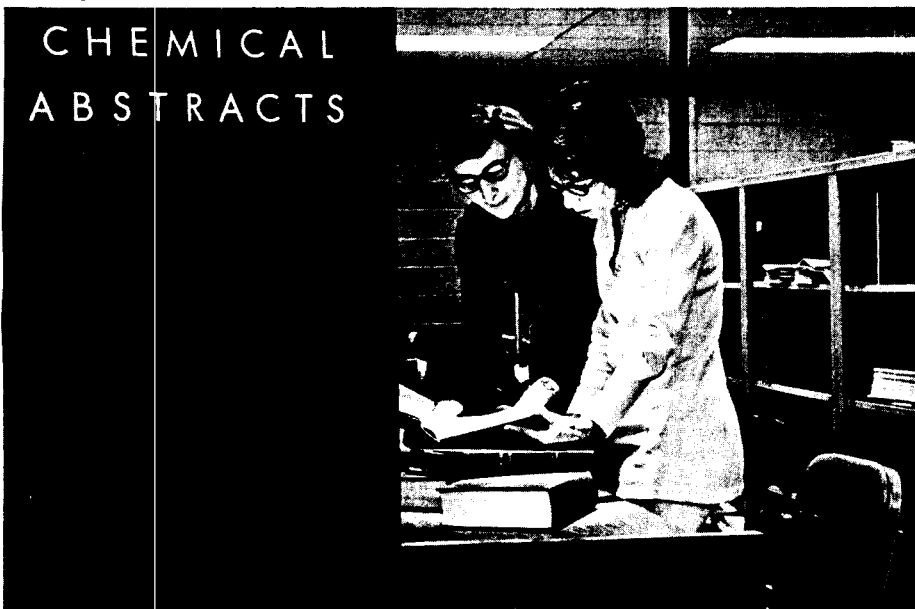

BNL Chess Club

Equipment's in!! The club now has 12 chess sets for membership use. An additional 12 sets also are in for those who individually purchased them. There is no need to bring sets to the club. Also, we are officially a member of the United States Chess Federation and entitled to its benefits.

Hopefully, this month will end the round-robin tournament and establish a club ladder. Those who would wish to join, come to any of the Thursday meetings, 5:30 to 10:30 at the Recreation Building. If you would like a club rating, a system has been devised to allow this immediately after completing the round-robin. For information please call George Malcolm on extension 3298, or Tom Jesaitis on 3297.

New Member For Exclusive Club

Library Student

Mrs. Lynn Ashe (right) a library science student at C.W. Post, works with Marjory Comstock, head of the Reference Section at BNL's Research Library. Mrs. Ashe spent a week at BNL in a study of the operation of each unit of the Library, including the Reference, Acquisition, Catalog, Circulation and Administration Sections.

Laboratory Director George Vineyard (center) chats with two of the three Past Directors of Brookhaven National Laboratory. Dr. Maurice Goldhaber (left) joined the "Past Directors' Club" on Monday when Dr. Vineyard became Lab Director. In addition to Dr. Leland Haworth (right) BNL's second Director, Dr. Philip Morse is the third member of the exclusive "Past Directors' Club." On Friday afternoon, Dr. Goldhaber and his secretary, Anna Kissel were honored with an informal reception by their fellow workers in the Administration Building.

Bowling News

Grace Fales

Green League

B. Belligan initiated himself into the Green League with a 213. Other 200's were rolled by C. Spence 236, R. Meier 226/193/604, C. Smith 215, C. Zavesky 212, and J. Scesny 209. J. McCaffrey raised his confidence for '73 by converting a 4-7-9 split.

Red League

Highs for 1/9 were C. Buzzeo 213 for the Lucky Strikes, for the Soc-et-tuum's J. Austin 200, G. Walker 204, for the Old Timers G. McGovern 213, and for the Neutrons N. Carter 210, J. Petro 221, and R. Larsen 256.

Pink League

We've been off for a couple of weeks and some of our scores reflected the "rest period." For others, the beginning of the second half started off pretty well. Ruby Cooper (notice the change in name from Burwell) and Jean Hamilton each bowled 172. Beverly Nine found her mark in the last game and rolled a 179. Marge Stoeckel put all three games together for a 470 series and Grace Fales, with an ailing back, bowled 189/480. Helen Caisey had her first 200 for this league (203) with a 485 series.

Black and Blue League

As we approach the home stretch of the second third, the Maybe's are still in first with the Atholes and the Rolling Stones in close pursuit. Last week the only hot lanes were 29-30, Lew Jacobson 214/522, Joe Mayeski 212. Glad to see that Joe came out of his slump, now Nancy will not have to carry the team..

Stony Brook Events

A wide range of public lectures as well as films, and a concert are among this week's events at the State University of New York at Stony Brook. See last week's *Bulletin* for a list of continuing lectures.

Friday and Saturday, January 19-20

The Committee on Cinematographic Arts (COCA) will show a short subject, "Critic," and its feature, "Tulane Blacktop," with James Taylor, at 7 p.m., and midnight in Room 100 of the Lecture Center. There will be a limited number of tickets available at \$1.

Sunday, January 21

Noted cellist Bernard Greenhouse and pianist Menahem Pressler will perform in the fourth of the Sunwood Sundays-at-Five series of benefit concerts at 5 p.m. at Sunwood in Old Field. A donation of \$2.50 will be asked at the door and refreshments will be served following the performance.

John Sebastian Bach's "St. John's Passion" will be performed by the University's Chorus and Orchestra with featured soloists under the direction of David Aurelius in the Second Floor Lobby of the Administration Building at 4 p.m.

Professor Ruben Weltsch will offer new perspectives on Liberalism, Conservatism and Marxism in a lecture today at 5:30 p.m. in Social Sciences Euilding "A," Room 141.

Tuesday, January 23

"Tuesday Flicks" presents two films, "Beyond a Reasonable Doubt" and "While the City Sleeps," in the Stony Brook Union Theater at 8 p.m.
